### KFW Camp Policies:

1. Always carry your credentials with you. Credentials may be removed for dance and combined rehearsals.
1. With new COVID protocol in mind (TBD), sign out when leaving camp and sign in upon returning. Sign out sheet will be located at the desk in the lobby.
2. When leaving the WLC Dorms, you must use the "buddy system."
3. We are guests all summer long at the WLC dorms. Be respectful of property, other guests, and dorm staff. Please be quiet in all areas after 10:00 pm.
4. If contacted by news media be sure information given is accurate. If you are unsure, ask a staff person.

### KFW Expectations:

1. Curfew during camp is as follows:  
10:30 PM - all KIDS on the dorm floors for floor checks.  
We trust each troupe member to figure out along with guidance from the tour staff on when to shut yourselves down for the evening to have the capability to function at high capacity the following day.
2. Deviations from the camp schedule or tour itinerary must be approved by Producer or Tour Director.
3. Your building key and dorm key belong to you alone and may only be used by you. There will be a deposit on your building key (\$50) at the start of camp. The deposit will be returned to you at the end of camp for Understudies and at the end of season for Principals.
4. No visitation in any dorm rooms. **Only members assigned** to a dorm room may be in said dorm room.
5. Smoking as well as drinking of alcoholic beverages or use of other controlled substances is strictly prohibited and cause for strong disciplinary action. **Please reference the KFW organization policy on alcohol or drug related infractions included with this document.**
6. Use of profanity is always inappropriate and is detrimental to the KFW public image.
7. If a problem exists between troupe members, please seek out guidance from troupe leaders first before getting tour staff involved. Leaders will consult with tour staff if no resolution has been made.
8. Discipline and guidance regarding any questionable or inappropriate behavior by or between troupe members that has not been resolved by leaders will be under the sole discretion of KFW Staff along with input from the leaders.
9. Always clean up after yourself; in your dorm room, eating area, gaming area and the rehearsal spaces.
10. Rooming assignments during camp and tour will be under the discretion of KFW staff.

A list of rules can only cover so many possible problems. Any behavior detrimental to the image and reputation of the KFW, or to the morale and success of the troupe will be considered a compromise of a member's summer commitment. It is expected that each troupe member will take seriously this commitment for the duration of the summer.
