

KIDS FROM WISCONSIN

Men's Costume Sizing Chart

For **CLOTHING SIZES** - Please check your personal clothing for correct sizes. If you do not have sizes for any of the items listed below, you will need to go to a local store and try on the item to get your correct size.

MEASUREMENTS – These need to be taken with a tape measure. If you do not have that readily available, or do not feel that you can accurately take the measurements, you can go to a local Tuxedo Rental place or Bridal Shop and have them assist in getting the correct measurements. **DO NOT GUESS!!!** Please remember that I will be doing a large portion of my work before having the opportunity to actually meet you. All I have to go on are photographs and the information you provide. Therefore, it is IMPERATIVE that the information is correct. Thousands of dollars go into the Kids From Wisconsin costumes. They need to be accurate.
